### 15. REGULATIONS

#### DRAW AND SEEDINGS

The new regulations covering the draw now to be held at the various venues of the Divisions and the seedings based on the players actually competing in the Championship were very positively accepted by the Competing Nations.

#### FORMAT OF THE EVENT AND SCHEDULE OF PLAY

The anticipation to the Saturday of the Relegation Play-Off, with the addition of a fifth day of play on Wednesday, has remarkably facilitated the travel programs to the following Tournaments of the players involved in such Play-Off.

The play-off matches for third and fourth place have been generally played in a competitive spirit at all the venues - and particularly when the Host Nation's Team was involved - with a good spectators attendance.
