1.: ENTRIES 1994 COMPETITION

Received are ~~27~~ entries: 28 entries

No entries (yet) received from;

- . Belarus
- . Bosnia/Herzegovina
- . Bulgaria
- . Cyprus ~~—~~ entered
- . Estonia
- . Finland
- . France
- . Georgia
- . Latvia
- . Liechtenstein
- . Lithuania
- . Turkey

Neither entries received from Iceland and San Marino, however as they have never before competed, I don't expect them to enter. Yugoslavia is still not allowed to play Team Competitions.

All other mentioned countries that did not enter have been reminded.

2.: CIRCULARS

Circular no. 1 was distributed before Christmas 1993.

Circular no. 2 will be prepared and distributed end of February, 1994.

3.: VENUES 1994

We have received a written application from Malta to host a group of the Promotion Division (the group where Malta plays). It would again be outdoors and during a week in September (still to be confirmed).

For the Champions Division I hope to have a positive reply from Trieste/Italy by the end of February. The people in Trieste are keen again, however a lot will depend on the Italian Tennis Federation, who had to underwrite a big loss in 1993.

No other applications received. As soon as the composition of the teams has been finalized, the undersigned will start to search venues. ETA financial support (if necessary) has been budgetted.

4.: ADMINISTRIVE PREPARATIONS

- . 1994 Rules & Regulations reviewed and ready for distribution immediately after the approval of the ETA Committee of Management.
- . The Organisation Manual 1994 has been reviewed and is now ready for distribution among the 1994 organisers.

5.: ACTIVITIES FOR THE MONTHS OF FEBRUARY AND MARCH 1994

- . Preparation and distribution 1993 Summary Report.

Organisation

All divisions have been organised successfully. In Trieste/Italy, where we played the Champions Division for the third consecutive year, the local organiser did not appear as motivated as the previous years, and this was clearly reflected in the atmosphere throughout the week.

2.: 1995 European Men's Team Championship

Circular no. 1 of the 1995 competition was distributed before Christmas, and the first entries are already received.

As regards the venues, the only information we have at this moment is that Italy seems to be willing to organise again the Champions Division, however not in Trieste. Furthermore, Malta is considering to stage again a division.

As regards the format of the event, you have received the evaluation of the Inquiry made among our member nations. The Women's Committee has already decided to recommend the change of format as of 1995, and it would only be logic to recommend the same for the Men's Team Championship.

The date of the 1995 competition has been fixed for December 6 - 10, 1995, whereby it must be noticed that, in case we do change the format as of this year, most division will play from Friday, December 8 to Sunday, December 10, 1995.
